

CP-LS100

SUMOBX: HIGH PERFORMANCE PORTABLE SPEAKER

SumoBox is a versatile, portable speaker powered by a removable/rechargeable lithium-ion battery pack and can deliver up to 105dB of pure sound pleasure.

SUMOBX

HIGHLIGHTS

Powerful 2.0ch speaker system delivering 120W RMS / 105dB via 2 x 8" woofers + 2 x 2" tweeters

SAM® by Devialet provides improved linearity and low-frequency performance - experience rich, detailed and powerful bass with limited audible distortion

Engineered wood speaker housing offers precise acoustics and is angled for optimal sound dispersion

1 3/8" 35mm standardised speaker stand pole mount built-in to base; optional ball corner protectors can be removed (using the included screwdriver) when using a stand

10hrs playtime (up to) from the removable 14.8V 5Ah Lithium-ion battery pack (included); instant continuity with a spare battery pack or by connecting to the mains supply

Pro-panel with 3 input channels: TRS/XLR combo (x 2) with Reverb, Bass & Treble adjustment and Aux/Bluetooth, all with independent level control

Instrument selector allows quick adjustment of levels for Keyboard/line-in, Guitar or Microphone

Wirelessly stream music from your Bluetooth® enabled smart device

Link 2 SumoBoxes wirelessly in Duo Mode for Bluetooth® playback or connect multiple SumoBoxes together via the amplified Speaker Link

Control SumoBox from anywhere in the room via the Sharp Life app

Duo Mode
